East Grand Rapids Public Schools
K-12 Physical Education Curriculum

RATIONALE

The following quotations capture the Rationale:

“Childhood is the time to begin
the development of healthy and active lifestyles.”

“Yet young people do not automatically develop the skills,
knowledge, attitudes, and behaviors that lead to regular
participation in physical activity; they must be taught.”

-Promoting Physical Activity: A Guide for Community Action
East Grand Rapids Public Schools
K-12 Physical Education Curriculum

PHILOSOPHY
East Grand Rapids Public Schools believes that a sequential physical education program is essential in developing a student’s physical, social, intellectual, and personal well-being.

We believe that the student who is sound in body and mind is better prepared to deal with the physical and mental stresses inherent in today’s society.

We further believe it is essential that the physical education program assists students in making the connection between classroom learning and participation in active, healthy lifestyles.

MISSION
The Mission of the East Grand Rapids Public Schools K-12 Physical Education Curriculum is to develop in students the skills, knowledge, attitudes, and behaviors that promote a healthy level of physical fitness and lead to a commitment to consistent, lifelong participation in physical activity.

Physical activities will be performed in an active, supportive, and non-threatening atmosphere where all students, regardless of physical ability, will be challenged to achieve success through a spirit of cooperation, sportsmanship, and respect for one’s self and others.
INTRODUCTION

This revised EGR K-12 physical education curriculum is reflective of the trend both nationally and statewide to recognize the responsibility physical education programs have to develop the skills, knowledge, attitudes, and behaviors that lead to regular and enjoyable participation in physical activity for a lifetime.

This is accomplished through focus on the following four content strands:
- Motor Skills
- Physical Fitness
- Cognitive Concepts
- Personal/Social

Within these four instructional “strands” is the establishment of content standards and benchmarks.

**Content standards:** are designed to specify “what students should know and be able to do.”

**Benchmarks:** are used to describe behavior that indicates progress towards and accomplishment of content standards.

**Activities:** are listed to specify lessons necessary to achieve content standards. A variety of activity opportunities increase the likelihood that students will experience fitness activities they find personally enjoyable thus maximizing the likelihood of physical activity for a lifetime.

**Assessment:** Teachers will select developmentally appropriate written, verbal, drawn, and/or rubric assessments as they pertain to the content standards. Content standards can be assessed based upon visual observation by the teacher, verbal feedback from students, drawn or written responses from students, teacher generated rubrics/checklists, and standardized testing.
CAREER EDUCATION PROGRAM – CAREER PATHWAYS
-Opening a World of Opportunities

East Grand Rapids Public Schools, in partnership with employees and community members will provide career education for K-12 students in order to establish an understanding of the relevance of classroom learning to the world of work.

The Physical Education Curriculum connects learning to the following two Career Pathways:

Health Sciences
Careers related to the promotion of health as well as the treatment of injuries and disease.

Some Professional Careers include:
- Dentist
- Dietitian
- Doctor
- Laboratory Researcher
- Pharmacist
- Physical/Occupational Therapist
- Registered Nurse
- Rehabilitation/Sports Medicine
- Veterinarian

Some Technical Careers include:
- Certified Nursing Assistant
- Dental Assistant/Hygienist
- Emergency Medical Technician
- Licensed Practical Nurse
- Medical Secretary
- Optical Lab Technician
- Physical Therapy Assistant
- Veterinary Assistant

Human Services
Careers related to helping people improve their life physically, socially or emotionally.

Some Professional Careers include:
- College Professor
- Hotel/Motel Manager
- Lawyer
- Police Office/Detective
- Politician
- Radio and TV Announcer
- Social Worker
- Teacher
- Urban & Regional Planner

Some Technical Careers include:
- Baker
- Chef
- Childcare Provider
- Corrections Officer
- Cosmetologist
- Court Reporter
- Deaf Interpreter
- Esthetician/Skin Technician
- Recreational Specialist
- Security Guard
## CONTENT STANDARDS

### Motor Skills
1. demonstrate selected fundamental locomotor skills;
2. demonstrate selected fundamental object control skills;
3. demonstrate selected nonlocomotor and body control (movement) skills;
4. demonstrate selected fundamental rhythmical skills;
5. participate successfully in selected health-enhancing, lifelong physical activities;

### Physical Fitness
6. develop and maintain healthy levels of cardiorespiratory endurance;
7. develop and maintain healthy levels of muscular strength and endurance;
8. develop and maintain healthy levels of flexibility of selected joints of body;
9. recognize and understand the benefits of healthy levels of body composition;

### Cognitive Concepts
10. apply the concepts of body awareness, time, space, direction, and force to movement;
11. explain and apply the essential steps in learning motor skills;
12. explain and apply appropriate rules and strategies when participating in physical activities;
13. describe the effects of activity and inactivity and formulate examples of lifestyle choices that result in the development and maintenance of health related fitness;

### Personal and Social Concepts
14. demonstrate appropriate behavior in response to the relationships with others that result from participation in physical activities; and
15. value physical activity and its contribution to lifelong health and well-being.
“If you don’t take care of your body, where will you live?”

-Aaron, age 10

Kindergarten students enjoying a cooperative activity while using proper Vertical Jump form

Fourth Grade students practicing proper Overhand Throw

K-12 Physical Education Curriculum

MIDDLE SCHOOL LEVEL
Grades 6-8

“Children engaged in daily physical education show superior motor fitness, academic performance and attitude toward school as compared to their counterparts who do not participate in daily physical education.”

-Teaching with the Brain in Mind
Eric Jensen

Middle School students participating in Soccer

Students learn Archery Skills in Physical Education as part of the 6th grade interdisciplinary study of the Middle Ages

Fitness activities will include the following: power walking, jogging, bench step, jump rope, and strength/endurance exercises.

Teachers select from learning benchmarks at lower or higher levels to differentiate for individual needs.
MIDDLE SCHOOL SAFETY RULES

These safety rules will be shared with all students in physical education.

General Gymnasium Safety Rules
1. No pushing, wrestling, or similar rough play.
2. Proper athletic shoes must be worn.
3. No gum, candy, cough drops, etc. during gym activity.
4. Jewelry should not be worn during gym activity.
5. Instill common sense behavior.
6. No climbing on bleachers, basket supports, back stops, goals, or fences.
7. Students must be engaged in proper pre-class activity upon entering the gym.
8. Students will use equipment for its intended purpose as directed by the teacher.
9. Students will use physical education equipment and facility when properly supervised by teacher.

Locker Room Safety Rules
1. Each student will be given a school-issued lock to be turned in at the end of the year. The student must pay $5 to replace the lock if the lock is lost.
2. Keep your locker locked at all times, including while you are in class.
3. No lock is to be left on large lockers overnight.
4. No pushing, wrestling, or similar dangerous play.
5. To avoid injury and locker damage, locker doors should not be slammed.
6. No climbing on lockers or other facilities.
MIDDLE SCHOOL SAFETY RULES continued

These safety rules will be shared with all students in physical education.

Student Expectations:
1. Students must participate in class. It is not enough to just dress.
2. Students must be in the hallway (near the locker rooms) when the class period begins. Any student not in the hallway or locker rooms will be marked tardy.
3. All students must dress in proper P.E. attire; failure to have the complete uniform will result in a “No Dress” for the day.
4. Use school equipment with respect.
5. Students may not leave the assigned area without permission of the teacher.
6. Students must wait in the lobby until the class period ends.
7. All injuries and altercations (i.e. fights, thefts, infractions of P.E. policies) are to be reported to the teacher promptly.
8. Any student who damages or vandalizes school equipment or property will be dealt with according to school policy.
9. All general school rules are to be followed at all times.

HIGH SCHOOL SAFETY RULES

These safety rules will be shared with all students in physical education and will be part of each teacher’s substitute folder.

**Daily Dress Code:**
All students must dress for class in the following attire: T-shirt or sweatshirt; shorts, sweatpants, or running pants, athletic socks, and athletic shoes. No hats. Any clothing not acceptable for P.E. will be determined by the teacher.

**Rules Governing Lockers:**
1. Each student will be given a school-issued lock to be turned in at the end of the semester. Any locks that are lost, the student must pay $5 to replace the lock before being allowed to take the final exam.
2. Keep your locker locked at all times, including while you are in class. Backpacks that do not fit in a locker can be placed in the P.E. office during class.
3. Any locks left on large lockers overnight will be removed at the owner’s expense.
HIGH SCHOOL SAFETY RULES continued

Student Expectations:
1. Students must participate in class. It is not enough to just dress.
2. Students must be in the north hallway (near the locker rooms) when the bell sounds. Any student not in the hallway or locker rooms will be marked tardy.
3. All students must dress in proper P.E. attire; failure to have the complete uniform will result in a “No Dress” for the day.
4. Use school equipment with respect.
5. Students may not leave the assigned area without permission of the teacher.
6. Students must wait in the north hallway until the bell sounds after class; any students leaving before the bell will be given a tardy.
7. No student may be in the weight room or training room without supervision.
8. All injuries and altercations (i.e. fights, thefts, infractions of P.E. policies) are to be reported to the teacher promptly.
9. Any damage or vandalism done to school equipment or property will be dealt with severely.
HIGH SCHOOL SAFETY RULES continued

Swimming Pool Safety Rules
Equipment required by law:
1. 12 foot long rescue pole
2. ¼ inch diameter throwing rope as long as 1 ½ times the pool width or 50 feet with 15” ring buoy or small float
3. First Aid Kit (American Red Cross 16 unit or equipment)
4. Stretcher or spine board
5. Whistle, megaphone or public address system
6. A telephone or other suitable means of communication
7. Rescue tubes

Basic Pool Safety Rules
1. Never permit anyone to swim alone. Constant and qualified supervision is a must.
2. Lock doors to prevent unauthorized entry.
3. Keep basic rescue and lifesaving equipment always available.
4. Have an adequate first aid kit available.
5. Clearly mark the deep and shallow sections.
6. Do not allow running, pushing, or boisterous play on the deck.
7. Post emergency telephone numbers conspicuously.
8. Do not permit bottles, glasses, and sharp objects in or around the pool area.
Basic Safety Rules – Pool Equipment

1. Diving Board
   a. Water depth – 1-meter board – 10’ minimum
   b. Nonskid material on top surface of board
   c. Front end of board should project 6’ beyond end of pool
   d. Never start a dive until diving entry area is clear. One person on board.
   e. Limit divers to one bounce.
   f. Do not allow dives to the side.

2. Starting Blocks
   a. Solid construction
   b. Nonskid top surface
   c. Anchored to pool deck
   d. No sharp surfaces

3. Kick Boards
   a. Do not allow boards to be thrown.
   b. Do not allow jumping on kick boards.
The following lesson plans were selected as a representation of instruction from the revised physical education curriculum.

Currently, within the East Grand Rapids Public Schools, five teachers have received the training necessary to teach the lessons from this project. Sample lessons from this curriculum are also included.

Lessons were designed with an obvious scope and sequence based on goals and objectives that are appropriate for all children.

MI-EPEC seeks to enable physical education teachers to create exemplary physical education programs.
Elementary Physical Education
SAMPLE LESSON PLAN

Topic: Volleyball
Grade: 3

I. LESSON SKILL
   A. Underhand Strike
   B. 3rd Grade

II. STRAND
   A. Motor Skills Strand
   B. Cognitive Concepts Strand

III. CONTENT STANDARDS REFERENCED
   A. Content Standard 2 – All students will demonstrate selected fundamental object control skills
      Benchmark: Demonstrate mature form and functional competence using the underhand strike
   B. Content Standard 10 – All students will apply the concepts of body awareness, time, space, direction and
      force to movement
      Benchmark: Demonstrate a variety of relationships with objects (e.g., over, under, behind, alongside and
                  through)
   C. Content Standard 11 – All students will explain and apply the essential steps in learning motor skills
      Benchmark: Recognize similar movement concepts and elements in a variety of skills
                  Apply prior knowledge as cues for learning new skills
SAMPLE LESSON PLAN continued

IV. LESSON OBJECTIVES
A. TLW demonstrate proper arm action when striking a lightweight ball using the underhand strike three consecutive times
B. TLW demonstrate proper weight transfer when striking a lightweight ball using the underhand strike, three consecutive times
C. TLW demonstrate correct form when striking a lightweight ball 20 feet forward in the air, three consecutive times

V. STATEMENT OF LESSON OBJECTIVES
A. Warm-Up
   • Skill review through obstacle course (slide, hop, leap, hand dribble, and foot dribble)
B. Lesson Focus
   • Introduction of underhand strike
     -demonstrate an underhand strike using correct form
     -explain correct form (stand, step, swing, and finish)
   • Practice proper form without ball three times
     -on cue – stand, step/swing back, swing forward
   • Individual practice using proper form
     -underhand strike repetitions against the wall 6, 10, 15, and 20 feet away
     -6 feet – arm straight back, forcefully forward
     -10 feet – arm straight back/weight back, forcefully forward/weight forward
     -15 feet – step and swing incorporating all steps
     -20 feet – incorporate all steps
   • Closure activity with underhand strike – “Messy Room”
     -separate students into two teams, half on each side of the gym
     -line up balls at center court
     -students will sprint to center court, pick up ball, run back to service line 20 feet away
     -team with least balls on their side has the cleanest room

VI. REVIEW/DISMISS
A. Review Stand, Step, Swing, Finish
B. Introduce next day’s objectives: Hand Dribble and Underhand Strike
C. Give three people high-five before lining up at the door
Elementary Physical Education
SAMPLE FITNESS ASSESSMENT

I. LESSON SKILL
   A. Physical Fitness
   B. 3rd Grade

II. STRAND
   A. Motor Skills Strand
   B. Physical Fitness Strand

III. CONTENT STANDARDS
   A. Content Standard 5 – All students will participate successfully in selected health enhancing, lifelong physical activities
      \textit{Benchmark:} Associates and recognizes the significance of fitness testing as a health assessment
   B. Content Standard 6 – All students will develop and maintain healthy levels of cardiorespiratory endurance
      \textit{Benchmark:} Meet standards on selected fitness activities that develop and maintain cardiorespiratory endurance
      \textit{Benchmark:} Recognize and understand the significance of target heart as it relates to healthy levels of cardiorespiratory endurance

IV. LESSON OBJECTIVES
   A. TLW demonstrate good form while moving aerobically for 10 minutes
   B. TLW understand and demonstrate proper pacing techniques
   C. TLW power walk for 1 minute, jog for 8 minutes, and cool down for 1 minute
   D. TLW locate and record their current heart rate during the cool down.
V. STATEMENT OF LESSON OBJECTIVES
   A. Warm-up
      • Actively stretching and warming up the body while walking for 1 minute
   B. Lesson Focus
      • Maintain healthy levels of cardiorespiratory fitness for 8 minutes
        - Continuous jogging around the perimeter of the gym
        - Keeping personal space and proper running form
      • Cool down with 1 minute of walking
        - While walking, check heart rate for 6 seconds, times number by 10
Middle School Physical Education
SAMPLE LESSON PLAN

Topic: Volleyball
Grade: 6

STRANDS
Motor Skills
Physical Fitness
Cognitive Concepts
Personal/Social Concepts

Content Standards: 5, 6, 7, 8, 10, 11, 12, 13, 14, 15

Benchmarks:
- Meet standards on selected fitness activities that develop and maintain cardiorespiratory endurance (e.g., timed or distance walk/run and other endurance activities at specified heart rate/heart rate recovery)
- Meet standards on selected fitness activities that develop and maintain muscular strength and endurance of the abdomen, lower back, upper body, thigh, lower leg, and neck
- Meet standards on selected fitness activities that develop and maintain flexibility of the major joints of the hip/low back, shoulder, neck, ankle, and trunk
- Detect and correct errors in personal skill performance
- Demonstrate appropriate methods of practicing new skills
- Use skills in appropriate ways in selected games, sports, and activities
- Learn and follow selected rules while playing sports and games
MIDDLE SCHOOL SAMPLE LESSON PLAN continued

I. START OF CLASS
   A. Attendance
   B. EPEC Personal Conditioning Lesson #53
         • Rationale for lesson
      2. Aerobic Activity
         • warm-up by walking and moving arms for 2 minutes
         • jump rope for 5 minutes
      3. Muscular Strength and Endurance
         • pectoral push-ups
      4. Muscular Flexibility
         • standing torso stretch and finger touch

II. SKILL
   A. Underhand Pass
      1. Demonstration of Skill Assessment
      2. Demonstration and Explanation
         • hand-grip styles
         • base and body position
         • pass form
      3. Practice Activities (Demonstrate)
         • partners toss and underpass controlled
         • partner toss side to side (encouraging moving to the ball)
         • partners pass back and forth
         • small group circle pass
   B. Volleyball Game Play

III. CLOSURE
   A. Review
   B. Next day plans
   C. Monitor student return of equipment
Middle School Physical Education
SAMPLE FITNESS ASSESSMENT

I. LESSON SKILL
   A. Physical Fitness
   B. 7th Grade

II. STRAND
   A. Motor Skills Strand
   B. Physical Fitness Strand
   C. Cognitive Concepts Strand
   D. Personal/Social Concepts Strand

III. CONTENT STANDARDS
   A. Content Standard 6 – All students will develop and maintain healthy levels of cardiorespiratory endurance
      Benchmark: Meet standards on selected fitness activities that develop and maintain cardiorespiratory endurance (e.g. times or distance walk/run, and other endurance activities at specified heart rate/heart rate recovery).
   B. Content Standard 7 – All students will develop and maintain healthy levels of muscular strength and endurance
      Benchmark: Meet standards on selected fitness activities that develop and maintain muscular strength and endurance of the abdomen, lower back, upper body, thigh, lower leg, and neck
   C. Content Standard 8 – All students will develop and maintain healthy levels of flexibility of body joints
      Benchmark: Meet standards on selected fitness activities that develop and maintain flexibility of the major joints of the hip/low back, shoulder, neck, ankle and trunk.

IV. LESSON OBJECTIVE
   A. TLW use correct form for various exercises
   B. TLW locate the quadriceps, biceps, triceps, and hamstring muscles
   C. TLW complete assessment on Healthy Citizenship and Basics of Conditioning
SAMPLE FITNESS ASSESSMENT continued

V. INTRODUCTION
   Explain assessment procedure to students. Students will pair up, exchange portfolios, and form a large circle.
   Take turns and perform each activity for 20 seconds. Carefully observe partner’s performance and record results
   in partner’s portfolio.

VI. LESSON FOCUS
   Students will assess the following:
   A. Aerobic Activity/Fitness Assessment
      -power walking, jogging, bench stepping, jumping rope
   B. Muscular Strength and Endurance Assessment
      -wall sit, abdominal curl, push-up, pull-up, quadriceps, leg lift
   C. Muscular Flexibility Assessment
      -quad stretch, arm across the chest stretch, biceps, stretch, hamstring stretch
   D. Muscle Location Assessment
      -locate quadriceps, biceps, triceps, abdominal muscles

VII. REVIEW
   A. Students will correct muscle location assessment
   B. Students will review aerobic activity, muscular strength and endurance, and muscular flexibility assessments
   C. Students turn in portfolios
High School Physical Education
SAMPLE LESSON PLAN

Topic: Volleyball
Grade: 9

Content Standards: 5, 10, 11, 12, 13, 14

Benchmarks:
- Analyze strategies in physical activities
- Use appropriate rules, strategies, and etiquette in physical activities
- Follow and encourage others to follow the rules while participating in physical activities

OBJECTIVE: Comprehensive assessment of overall concept of team volleyball

ASSESSMENT: Teacher assesses individual skill mastery and development of bump, set, and overhead hitting and serving

LEAD-UP ACTIVITIES
Overhand Serve
- Demonstration – Student with teacher instruction
- Wall – Individual practice
- Group – Serving over net to each other
- Pepper – Competitive, continuous passing using skills of overhand, bump and set
- Game – Put overhand serve into game
High School Physical Education
SAMPLE FITNESS ASSESSMENT

I. LESSON SKILL
A. Physical Fitness
B. 9th Grade

II. STRAND
A. Motor Skills Strand
B. Physical Fitness Strand

III. CONTENT STANDARDS
A. Content Standard 6 – All students will develop and maintain healthy levels of cardiorespiratory endurance
   Benchmark: Meet standards on selected fitness activities on selected fitness activities that develop and maintain cardiorespiratory endurance (e.g. times or distance walk/run, and other endurance activities at specified heart rate/heart rate recovery).
B. Content Standard 8 – All students will develop and maintain healthy levels of flexibility of body joints
   Benchmark: Assess personal status of flexibility
   Participate in a variety of physical activities appropriate for enhancing flexibility

IV. LESSON OBJECTIVE
A. TLW demonstrate aerobic activity for 20 minutes
B. TLW demonstrate that they will work within the target heart rate zone
C. TLW record time in, above, and below their target heart rate zone

V. LESSON FOCUS
A. Warm-Up
   - plyometric warm-up focus in on high knees, tail kick, skipping, bunny hop, and carioca
B. Maintain healthy levels of cardiorespiratory fitness for 20 minutes
C. Team handball in gym
D. Cool down and stretch
K-12 PROFESSIONAL DEVELOPMENT

**Required** professional training for teachers in order to implement the Physical Education Curriculum:
1. CPR/First Aid Certification
2. Physical Education technology
3. Heart rate monitor training where applicable
4. MI-EPEC: Michigan Exemplary Physical Education Curriculum Project Training

**Recommended** professional development for physical education staff:
1. Lifeguard training/WSI
2. Instruction on how to train students with fitness and weight room equipment
3. Instruction on how to teach ballroom, line, swing, and square dancing
4. Attending state and national professional conferences
5. Membership in professional organizations
6. Representation on District Wellness Committee

"Because school staff members spend a great deal of time with students and have considerable influence over students, they can be powerful role models for physical activity."

-Promoting Better Health for Young People Through Physical Activity and Sports
Enough equipment should be available so that each child benefits from maximum participation, i.e., every child would have a ball. Equipment requirements were developed following an extensive inventory of current supplies at all school buildings. These items were determined to be necessary in order to implement the revised physical education curriculum. Also included is a provision for financial support for the replacement of 5% of the equipment inventory consumed each year. Finally, we have identified the necessary technology to enhance the program for the 21st Century.

High School ………………….. 2,884.00
Middle School……………….. 2,463.00
Elementary Schools……………. 6,406.00
Technology…………………… 6,250.00

**GRAND TOTAL:** 18,003.00

East Grand Rapids Public Schools

K-12 Physical Education Curriculum

RESOURCES

- Michigan Department of Education, Physical Education Content Standards and Benchmarks, July 1998

- The Exemplary Physical Education Curriculum (EPEC)
  The following East Grand Rapids Physical Education teachers have received EPEC training:
  - K-5 Training  (3 elementary teachers)
  - 6-8 Training  (1 middle school teacher)
  - K-8 training  (1 middle school teacher)

- Grosse Pointe Public Schools K-12 Physical Education Program
