

Schools of Choice 105c Policies & Regulations

- One application per student, per year may be submitted.
- If more applications are received in a district than openings are available, there will be a random lottery drawing for all applications received prior to the deadline.
- Siblings of students previously accepted under the Schools of Choice Program will be assigned to open spots before a random draw begins. *Students who reside in the same household will be considered "siblings" for the purpose of Schools of Choice.*
- According to the Michigan High School Athletic Association students accepted into the Schools of Choice program who are in grades 10 – 12 will not be eligible to participate in sports for one semester – until the second half of the school year.
- Accepted students must agree to comply with choice districts policies.
- Transportation is NOT provided for Schools of Choice students. Parents must provide their own transportation to and from school for children accepted for enrollment through the 105c School of Choice Plan.
- After you are accepted, you will be allowed continuous enrollment in that district until graduation or until you withdraw from that district at which time you may return to your resident district. If you withdraw and still live outside of the District and later would like to re-enroll, you must reapply through Schools of Choice.
- Waiting lists will be created at choice districts after the lottery/random draw and parents will be notified if spaces become available.
- Special Education students wishing to enroll under Section 105c for whom a written cooperative agreement regarding costs cannot be obtained with their district of residence will be refused Schools of Choice.
- Enrollment may also be denied to students who have been suspended, expelled, or convicted of a felony.
